10/20 MATTERS ARISING

10.1 Application 20/03259/FUL – 51 Underdale Road, Shrewsbury.

Members considered the amendments to this planning application and would like to raise their continued concerns. Minor changes have been made to the plans, but Members feel that they are not significant enough and do not address the concerns that local residents have with this application. The application proposes a significant alteration to the bulk of the property and it appears that the neighbouring properties would be affected with this proposed view. The property seems out of proportion for area it is in and it will not add to the street scene. Residents across the river will also be affected by this development with regards to the view. It is an overdevelopment of the site even with modifications made for the surrounding area.

RESOLVED:

The Town Council object to this application.

11/20 HIGHWAY ORDERS

There were no Highway Orders for consideration

12/20 TREE PRESERVATION ORDERS

There were no Tree Preservation Orders for consideration.

13/20 PREMISES LICENCE APPLICATIONS

There were no Premises Licence Applications for consideration.

14/20 PLANNING APPLICATIONS

14.1 Schedules of Planning Applications

The Deputy Town Clerk submitted the schedules of valid planning applications for planning consent for development within the Town Council's area which had been registered between 26 September – 16 October 2020.

The proposed dwelling appears to be in a 'cramped' plot.
