Review of traffic safety and speeding along the A5191 Belle Vue and Hereford	Belle Vue	Kate Halliday	Residents concerned about speeding on this section of road, including an accident in summer 2023 when a car ended up on its roof. There have also been numerous "near misses" reported	Highways	Shropshire Council					
Road A13 Review of potential residents' parking	belle vue	Rate Hailluay	Response to issue of car parking outside properties in Belle Vue	підіїмауз	Sirropsilire Council					
scheme in Belle Vue	Belle Vue	Kate Halliday		Highways	Shropshire Council (Shaun Sutton?)					
Review of doctors' surgery capacity in Belle Vue and Column	Belle Vue	Kate Halliday	Residents concerned about lack of appointments at surgeries in the Belle Vue area. This needs to be linked in with the wider review of GP paractice capacity across Shrewsbury being undertaken by the Integrated Care Board (ICB)	NHS England	Integrated Care Board Shropshire					
Upgrade of Play equipment Meole Rise			Exisiting play area is well used but the equipment could benefit	Community						
Play area	Belle Vue	Kate Halliday	from being upgraded	Infrastructure	Shrewsbury Town Council					
Potential for improvements to community space either side of Greyfriar's Bridge	Belle Vue	Kate Halliday	With the development of new shops in Coleham and St Julian's Friars this is an important gateway into the town and improvements to the public spaces here could help enhance the area, and make it more attractive for people to spend time here		Shrewsbury Town Council; Shropshire Council					
Potential for improvements to green			As a green space surrounded by housing, could this area be							
space between Upper Road and Hereford Road	Belle Vue	Kate Halliday	ehanced to encourage residents to spend more time here ie improved seating, sympathetic planting etc?	Community Infrastructure	Shrewsbury Town Council					
Potential transfer of land at Wellspring Centre to community use	Belle Vue	Kate Halliday	The Wellbeing Centre occupies a central location in Belle Vue and it appears its exisiting owners may be looking to dispose of the site, which could provide the opportunity to repurpose the site for an additional use	Community Infrastructure	Shrewsbury Town Council					
Potential to expand the wildlife corridor	- 3		Expand the corridor for lizards and other wildlife along the		Sind State of the Council					
alongside Drawwell Street as an improved habitat	Belle Vue	Kate Halliday	railway embankment and beyond from Drawwell St towards the rear of Meole Rise and Meole Bowling Club		Shrewsbury Town Council
