We pledge to make the Council carbon neutral by 2030.

**The Town Council's decision to declare a Climate Emergency in 2019 and Our commitment to carbon neutrality.**

On the 25th of March 2019 Full Council declared a Climate Emergency with a pledge to make the Council carbon neutral by 2030. After declaring the Climate Emergency an action plan was developed considering our operations and day to day activities. The emergency was declared as there is little time to waste, and we desire to meet our responsibilities to public and environmental health in the most effective and efficient ways that we can.

### The Great Big Green Week

Shrewsbury Town Council would like to invite local organisations and schools to participate in the Shrewsbury Great Big Green Week which will take place from the 8 - 16 June 2024.

The Great Big Green Week is the UK's biggest ever celebration of community action to tackle climate change and protect nature. Great Big Green Week has been running since 2021 and now has with over a quarter of a million people getting involved each year including those from national organisations, institutions, businesses and media outlets.

In 2024, we would like to create a Shrewsbury-wide event and for you and your organisation to be involved. Ideas about how you might do this along with a set of resources are available at <https://greatbiggreenweek.com/get-involved/>.

If you would like to participate or for more information please contact [amanda.spencer@shrewsburytowncouncil.gov.uk](mailto:amanda.spencer@shrewsburytowncouncil.gov.uk).
