Dear Ms Ball

Public Consultation for Proposed Telecommunications Structure at London Road Sports Centre, London Road, Shrewsbury, Shropshire, SY2 6PR

Pegasus Group are working as Planning Consultants in partnership with Shared Access, who are preparing a planning application for an integrated telecommunications and floodlight structure to the sports facility at London Road Sports Centre, London Road, Shrewsbury, Shropshire, SY2 6PR. The existing lighting to the sports centre will be maintained and telecommunications equipment integrated that will improve network coverage in the local area for EE and Three customers.

EE and Three also provide network coverage for the following Mobile Virtual Network Operators: AfriMobile, Airwave Smart Mobile; Asda Mobile; Auracall Travel Talk; Axis Telecom; BT; Chromebook 3G SIM; CTEExcelbiz; Delight Mobile; Digital Phone; Econet Mobile; FreedomPop; Gamma Telecom; Go Mobile; iD Mobile; Jump; HP Mobile Connect; Kingdom Mobile; Krisant Telecom; LIFE Mobile; Lomo Mobile; Matrix Cellular, Meem Mobile; Mtel; Natterbox; NordTelekom; Now PAYG; Pebble Mobile Network; Shebang; Simwood; Talk Home Mobile; Telfoni; Tello.co.uk; The People's Operator; The Phone Co-op; UK Globe; U2i Mobile; Telecom Plus; Vectone Mobile; Virgin Mobile; VoIP.co.uk; Rok Mobile and Food Mobile

A Site Location Plan is included with this letter to show where the equipment will be sited.

Shared Access has been working with London Road Sports Centre to propose a scheme which would involve one of the existing floodlighting columns to the sports centre being replaced with a structure that will maintain the existing floodlighting and incorporate a telecommunications antenna. The existing floodlights are 21m tall and the proposed mast will be a maximum height of 25m.

Shared Access is a property company that specialise in developing telecommunications infrastructure. The company operates in the United Kingdom and Ireland, where they have built, acquired, own and manage approximately 500 sites. Shared Access are the exclusive managing agent for the Office of Public Works (Irish Government) and have exclusive partnerships with national governing bodies, including the Football Association and the Lawn Tennis Association, to provide investment into grassroots sport and facilities.

The telecoms structure will deliver next generation 4G communications infrastructure to the area, as well as improve coverage for other existing technologies. The 4G network will provide exceptionally fast internet to local residents and businesses. As you may be aware, the Government promotes new telecommunications development, as it contributes to improving communications and encouraging economic growth.

The proposal will be fully compliant with standards set down by the International Commission on Non-Ionizing Radiation Protection (ICNIRP). ICNIRP is an independent scientific organisation whose aim is to provide guidance and advice on the health implications of telecommunications development.

I am writing to you in your capacity as Clerk to the Town Council and I look forward to receiving any comments Town Councillors may have. Please endeavour to provide your suggestions within two weeks of the date of this letter, to ensure your input is taken into account during the design stage of the proposal.

In the meantime, if you require any additional information in respect of the above proposal, please do not hesitate to contact me, either by the address on this letter, by email (below) or by telephone 01454 625 945.

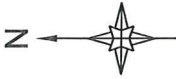

Yours sincerely
