SHREWSBURY TOWN COUNCIL
COMMUNITIES & ENVIRONMENT COMMITTEE
14th October 2026

Officer: Ruth Jones - Office Manager

TEAM SHREWSBURY – LOCAL POLICING CHARTER

Purpose of the Report

To receive an update on the Local Policing Charter. The Local Policing Charter is based on three principles: visibility, accessibility, engagement. It sets out West Mercia Polices promise to ensure a two-way conversation and continuing to engage with parish and town councils, with regular contact through written updates and engaging with communities both in person, via social media and the Neighbourhood Matters website, ensuring they were accessible to all. The Policing Priorities are collated from Councillors each quarter. These are then forwarded to the Inspector, in readiness for the next phase. WMP report back with updates on the priorities raised.

October 2026 Submission
The below table details the submission for October:

Agenda No

6 (ii)

Shrewsbury Town Council - 3 Top Concerns For Each Councillor Ward - October 2026

Ward	Councillors	Issue 1	Issue 2	Issue 3
Abbey	Jamie Daniels	**Speeding** London Road still has speeding on it, but the speed camera is always placed opposite the college; could it be moved further towards the column.	**E-Scooters** Issues with people using e scooters on the pavement. This is particularly noticeable around Shire Hall, but also down the complete length of Abbey Foregate	**Dangerous Driving** Speeding & dangerous driving occuring through Holland Drive, Preston Street & Weir Hill Estate
Bagley	Ben Jephcott	**Speeding** Speeding vehicles with modified and clearly illegal louder exhausts (bikes but sometimes cars) on Ellesmere Road and all around the town, often at dangerously high speed, frequently between 11pm and 2am on Friday and Saturday nights in particular, but at other times also. The bikes sometimes come in pairs and appear to be racing, given the speed involved.	**E-Scooters** People using e-scooters at relatively high speed going through Greenfields Park and then across Greenfields and towards the town centre, endangering pedestrians.	**Vandalism** Vandalism and flytipping in the car park at the back of BBC Radio Shropshire in Mount Pleasant and graffiti under the Railway bridge on the route to the Flaxmill.
Battlefield	Harry Hancock-Davies	No Submission Received		
Belle Vue	Kate Halliday	**Speeding** Speeding/dangerous driving on Belle Vue Road/Hereford Road and Upper Road (Belle Vue side), particularly during late evenings and weekends. (same as July submission)	**Dangerous Driving** Dangerous driving and speeding along Longden Road, particularly during late evenings and weekends. (same as July submission)	**Cyclists** Uber riders on electric bikes failing to dismount over Greyfriars Bridge, and cycling on pavements around Londgen Coleham on a regular basis. (same as July submission)

Agenda No

6 (ii)

Bicton Heath	Jon Tandy	**Fires** Three fires started at the field at the rear of the community centre this was really bad, the bungalows were very close to being set alight. Some of the residents have care in the daytime but not at night. So could not get out of there bungalows. The fires started at 1.30am and if it wasn't for other residents could have been much worse.	**Break-In's** We have had several houses being broken into at 10.30pm this was serous as they attacked the residents.	**ASB** Community Centre, Gains Park kids have been causing trouble when people are using the hall police called and they were detained for the damage they caused.
Castlefields	Alan Mosley	No Submission Received		
Column & Sutton	Rosemary Dartnall	**Road safety** Concern about vehicles travelling at excess speeds on London, Wenlock and Sutton roads and also Sutton Way. A large part of traffic on these roads regularly exceeds the mostly 30 mph speed limit but there are also some extremely high speeds achieved – residents are convinced these are people racing and some claim the perpetrators are students at the the sixth form college on London Rd. I don't have evidence for this… but the speeding is reported by many residents. These are residential streets, near a primary school and a college. The racing occurs sometimes at lunchtime – especially on Sutton Way, but can also be a circuit on London Rd – Wenlock Road. I have a number of reports of night time racing on Wenlock – quite late, and on occasion. Many residents think the day time racing involves college students. (same as April submission)	**Drug Dealing** Drug dealing in a number of locations: Springfield Rec., the area around the footbridge between Pool Rise and Prescott Close, on Mansel Williams Way, on the corner of Primrose Drive and Sutton Lane. Occuring mostly evening to night time, but also on occasion during the day – taking cover under trees. (same as April submission)	**Parking Issues** Inconsiderate and dangerous parking – leading to restricted or low visibility for motorists / pedestrians passing by, partially blocking drives, making narrow roads impassable. This leads to reduced road safety for all users and can also lead to ASB. For example, one person asked to move their car a little along because it was making it impossible for a resident to get off their drive was aggressively driven at (this was reported to police). This kind of parking is not simply illegal parking but it is specific in that road safety is impacted negatively as a result. It includes, parking on verges, across dropped kerbs, on corners and on pavements often forcing people to walk in the road. Associated with school arrival and departure times and also related to college students. A large part of the area between the college and Wenlock has prohibited parking – yellow line so students go a bit farther afield.

Copthorne	Rob Wilson	**Speeding** A particular concern is Oakfield Road. Please can I suggest this time for enforcement on a weekday evening.	**Illegal E-motorbikes** Illegal e-motorbikes; increasing use of illegal non-pedal assisted cycles. Other police forces have started to stop, impound and destroy such vehicles. Particularly Porthill Bridge between 8:30am and 9:30am on weekdays (probably on the Quarry side).	**Vehicle Racing** Racing of cars/motorbikes – Shelton Road, evenings, particular concern Friday and Saturday evenings.
Harlescott	Rhys Gratton	No Submission Received		
Meole	Bernie Bentick	**Thefts** Specifically, there have been multiple push-bike thefts on Meole Estate.	**ASB** Youth related ASB, reported on the Meole Estate Community Action Facebook page	
Monkmoor	Adam Fejfer	**Electric Bikes and Scooters** There is a growing concern regarding the unsafe use of fully electric scooters and e-bikes on the road. They are frequently observed traveling at high speeds, often carrying two riders on a single vehicle. Reports indicate this is particularly prevalent among students during school drop-off and pick-up times.	**Drug Use** Drug usage and dealing: Cannabis use and drug dealing remain an ongoing problem in Upton Lane Park, primarily on Friday and Saturday evenings after 7:00 PM. Additionally, suspicious activity—likely drug-related—has recently been reported near the front entrance gate of Monkmoor Industrial Park, particularly after midnight on Friday and Saturday nights.	**ASB** Dirt bikes in Monkmoor Meadow: Residents have reported individuals riding dirt bikes at high speeds along paths in Monkmoor Meadow, specifically on Friday evenings and after 3:00 PM on Saturdays and Sundays. Groups of teenagers and adults frequently gather under one of the bridges in the meadow. Although residents state they have reported this to the police previously, no action appears to have been taken yet.
Porthill	Julian Dean	No Submission Received		

Quarry & Coton Hill	Alex Wagner	**Speeding** St Michael's Street speeding and dangerous driving. Target speeding and anti-social driving along St Michael's Street, particularly during the evening commuting period from around 4pm to 7pm, with some additional evening monitoring.	**Speeding & ASB** Coton Crescent speeding and anti-social behaviour, primarily Coton Crescent, particularly during the late afternoon and evening, approximately 4pm to 9pm. Residents have raised concerns about speeding on Coton Crescent, while there have previously been reports of drug dealing and anti-social behaviour around the Pig Trough, particularly in the evenings.	**Evening ASB and public reassurance** Continue a visible policing presence in Shrewsbury Town Centre, particularly around the High Street, Pride Hill and the main nighttime economy areas, focusing on anti-social behaviour and public reassurance.
Radbrook	Emma Micklewright	**Speeding** Speeding on Bank Farm Road, particularly in the evenings as it gets darker.	**WMP Presence** Presence on the Bowbrook estate during peak traffic times to mitigate road rage incidents.	**Traffic Concerns** Monitoring the Crowmeole Lane filter.
Sundorne & Old Heath	Kevin Pardy	**Electric Scooters** Electric scooters driven on highways and pavements in a dangerous manner. These vehicles can be observed at opening and closing school hours. Very often adults can be seen visiting or leaving Robson's shop on Sundorne Avenue.	**Speeding** General speeding throughout the division, but in particular on Sundorne Road. It has been some time since Vehicle-Activated Speed signs have been sited in the area.	
Oteley & Reabrook	Vicky Moore	**Speeding** Speeding along Sutton road.	**ASB / Drug Dealing** Drug dealing by the shops on Tilstock Cresent Sutton Farm, primarily in the evening around 19.30 -21.00 and its different days.	
Underdale	David Vasmer	No Submission Received		

To Be Agreed at C&E - 13/10/26
Sent to Police - 29/10/26

Previous Submissions

Shrewsbury Town Council - 3 Top Concerns For Each Councillor Ward - July 2026

Ward	Councillors	Issue 1	Issue 2	Issue 3
Abbey	Jamie Daniels	**Speeding** London Road still has speeding on it, but the speed camera is always placed opposite the college; could it be moved further towards the column.	**E-Scooters** Issues with people using e scooters on the pavement. This is particularly noticeable around Shire Hall, but also down the complete length of Abbey Foregate	**Dangerous Driving** Speeding & dangerous driving occuring through Weir Hill estate
Bagley	Ben Jephcott	**Speeding** The better weather has led to a return to noisy late night races involving motorbikes and cars, often with illegally modified exhausts, on Ellesmere Road and the Battlefield link, at dangerously high speeds, often between 10.30pm and 1am at weekends but also often earlier in the evenings, and sometimes at 3am. This poses a risk to other drivers and pedestrians but also wakes up anyone living near the route not wearing earplugs, such as the 60 elderly residents at the Withywood care home in Greenfields and other care homes along this route. The best time to catch offenders would I think be late on Friday and Saturday evenings, at the times listed.	**ASB** Anti-social escooter and bike riding at high speed without lights putting pedestrians at risk in Greenfields and on Heath Farm.	**Vandalism** I am not aware of any incidents since the vandalism at the Islamic centre in Preston Street which is not in Bagley ward, but given the febrile atmosphere online, I would like to see the police have a plan to deal with any disorder swiftly following any more attempts to incite disorder following alleged criminal activity by minority communities. We do not want that kind of disgraceful behaviour in Shropshire.
Battlefield	Harry Hancock-Davies	No Submission Received		
Belle Vue	Kate Halliday	**Speeding** Speeding/dangerous driving on Belle Vue Road/Hereford Road and Upper Road (Belle Vue side), particularly during late evenings and weekends.	**Dangerous Driving** Dangerous driving and speeding along Longden Road, particularly during late evenings and weekends.	**Cyclists** Uber riders on electric bikes failing to dismount over Greyfriars Bridge, and cycling on pavements around Londgen Coleham on a regular basis.

Agenda No

6 (ii)

Bicton Heath	Jon Tandy	**ASB** Teenagers causing ASB at the Community Centre at Gains Park	**Flytipping**	**Police Presence**
Castlefields	Alan Mosley	No Submission Received		
Column & Sutton	Rosemary Dartnall	**Road safety** Concern about vehicles travelling at excess speeds on London, Wenlock and Sutton roads and also Sutton Way. A large part of traffic on these roads regularly exceeds the mostly 30 mph speed limit but there are also some extremely high speeds achieved – residents are convinced these are people racing and some claim the perpetrators are students at the the sixth form college on London Rd. I don't have evidence for this… but the speeding is reported by many residents. These are residential streets, near a primary school and a college. The racing occurs sometimes at lunchtime – especially on Sutton Way, but can also be a circuit on London Rd – Wenlock Road. I have a number of reports of night time racing on Wenlock – quite late, and on occasion. Many residents think the day time racing involves college students. (same as April submission)	**Drug Dealing** Drug dealing in a number of locations: Springfield Rec., the area around the footbridge between Pool Rise and Prescott Close, on Mansel Williams Way, on the corner of Primrose Drive and Sutton Lane. Occuring mostly evening to night time, but also on occasion during the day – taking cover under trees. (same as April submission)	**Parking Issues** Inconsiderate and dangerous parking – leading to restricted or low visibility for motorists / pedestrians passing by, partially blocking drives, making narrow roads impassable. This leads to reduced road safety for all users and can also lead to ASB. For example, one person asked to move their car a little along because it was making it impossible for a resident to get off their drive was aggressively driven at (this was reported to police). This kind of parking is not simply illegal parking but it is specific in that road safety is impacted negatively as a result. It includes, parking on verges, across dropped kerbs, on corners and on pavements often forcing people to walk in the road. Associated with school arrival and departure times and also related to college students. A large part of the area between the college and Wenlock has prohibited parking – yellow line so students go a bit father afield. (same as April submission)

Agenda No

6 (ii)

Copthorne	Rob Wilson	**Speeding** Locations: Copthorne Road, The Mount, Mytton Oak Road, Radbrook Road, Shelton Road, Richmond Drive & Oakfield Road (same as April submission)	**ASB** As the weather warms up, and exam season starts, the "beach" on the River Severn (what3words: ///decks.plank.police). Issues occur from approx 3/3:30pm on weekdays & mainly on a Friday. (same as April submission)	**Parking** Use of Shorncliffe Drive and Salamanca Avenue (unadopted) by Taxis as an unofficial layover location. Occuring all week, particularly during the day. (same as April submission)
Harlescott	Rhys Gratton	**Speeding** Particularly on Little Harlescott Lane (same as April submission)	**Drug Dealing / Open Usage** Especially on York Road, Kynaston Road and the surrounding area. (same as April submission)	**ASB** Notably groups of teenagers, in particular riding around on mopeds and motorised scooters. (same as April submission)
Meole	Bernie Bentick	**ASB** Damage to Mary Webb Rec playground plus litter & flytipping	**Speeding and Dangerous roads**	**Dog Fouling**
Monkmoor	Adam Fejfer	**Electric Bikes and Scooters** **The Issue**: Individuals are riding e-bikes and e-scooters recklessly and at high speeds across both roads and pedestrian pavements, creating a severe public safety hazard. **Peak Times**: This is a daily issue, but the main problem period is consistently after school between 16:00 and 18:00.	**Anti-Social Behaviour (ASB) on Upton Lane** **The Issue**: Ongoing, escalating ASB that intensifies significantly during pleasant weather. Most recently, a group of teenagers set a small fire right next to a residential area and were throwing melted plastic bottles, causing significant distress and a serious safety risk to property and residents. **Peak Times**: Every Friday and Saturday after 17:00, as well as warm/nice weekday evenings.	**Improved Police Responsiveness and Intervention** A significant number of residents have raised serious concerns regarding a lack of police response to active incidents. Communities feel ignored when visible, disruptive behaviour—such as individuals climbing or using cherry pickers to raise flags and actively blocking/stopping oncoming traffic—happens in plain sight without any police reaction or subsequent follow-up.
Porthill	Julian Dean	No Submission Received		

Quarry & Coton Hill	Alex Wagner	**Cross Hill Court ASB** Residents of Cross Hill Court have been reporting problems with ASB outside their building and within the scheme. This is in particular in the evenings and residents have been submitting diaries to Homes Plus with further details.	**School Gardens - Congregation issues** The School Gardens area and in front of the Library seem to have become a hotspot over Summer for congregation, often with drug and alcohol use, and music blaring. It has replaced Pride Hill as the area where I receive the most correspondence from residents about this issue over the last year or so.	**Coton Crescent Poor Driving** Coton Crescent is the only way out of the Coton Hill estate, and several residents have reported damage to their cars, excessive speeds and people avoiding traffic by going the wrong way down Corporation Lane. This is at peak commuting times 8am and 5.30pm on weekdays, partly due to the fact that many non-residents arrive to leave their cars there rather than pay nearer the Station.
Radbrook	Emma Micklewright	**Speeding** Speeding occuring on Bank Farm Road, most evenings.	**WMP Presence** Monitoring the Crowmeole Lane filter, issues occuring most evenings.	**Traffic Concerns** Near miss traffic collisions and road rage incidents on Squinter Pip Lane - particularly at school drop off pick up at the hospital side of the estate towards Bowbrook Primary.
Sundorne & Old Heath	Kevin Pardy	**Vandalism** Occuring on the Meadow Farm Drive recreation field and the Lantern over the weekend of the 20th June. Online report submitted to the Police.	**Drug Taking / Dealing** Drug taking and possible dealing at Sabrina Court. Ongoing problem that has been reported previously.	**Electric Scooters** The use of electric scooters throughout the ward. Riders are not only children but adults. Some of the riders have pillion passengers. This has been reported many times, it is now at epidemic proportions and there is little publicity of action taken. Near miss has been witnessed with an adult rider.
Oteley & Reabrook	Vicky Moore	No Submission Received		

Agenda No

6 (ii)

Underdale	David Vasmer	**Road Safety** Drivers ignoring the 'No Entry' sign from near Underdale Road's junction with Cadfael Way and Trafalgar Place towards the Castle Walk Car Park.	**ASB** Anti-social behaviour by local children.	**Speeding** Speeding traffic along Racecourse Crescent where it leads into Bell Lane – believe it is a way of avoiding congestion on the inner ring road.

To Be Agreed at C&E - 12/08/26
Sent to Police - 01/07/26

Agenda No

6 (ii)

Shrewsbury Town Council - 3 Top Concerns For Each Councillor Ward - April 2026

Ward	Councillors	Issue 1	Issue 2	Issue 3
Abbey	Jamie Daniels	**Speeding** Along Preston Street and on London Road, particularly at night.	**ASB** There is some worry about walking at night, following the attack by the Abbey. Some sort of presence would be very welcome from the residents point of view.	
Bagley	Ben Jephcott	**ASB** Growing anti-social behaviour and repeat reports of intimidation over the display of flags on lamp posts. This issue is getting out of hand with multiple reports of threats being made on social media and people's home addresses including a resident of Herongate being posted online because they are uncomfortable or opposed to the way that flags are being put up, and then being subject to abusive behaviour and further threats. The national flag should unite everyone but this is not the way to do it, and recent events require a police response to keep the peace and stop obstruction to the highway by cherry pickers.	**ASB** The better weather has led to a return to noisy late night races involving motorbikes and cars on Ellesmere Road and the Battlefield link, at dangerously high speeds, often between 11pm and 1.30am at weekends.	ASB Anti-social escooter and bike riding at high speed without lights putting pedestrians at risk in Greenfields and on Heath Farm.
Battlefield	Harry Hancock-Davies	No Submission Received		
Belle Vue	Kate Halliday	**Speeding** Along Belle Vue Road and Longden Road, particularly at night.	**Cycling on Pavements** Also through alleys (the alley between the Boars Head pub on Belle Vue Road and Longden Coleham by the Cross Foxes)	**Drug Dealing** Dealing occuring from cars on Drawwell Street at around 5pm weekdays

Agenda No

6 (ii)

Bicton Heath	Jon Tandy	**Speeding** Occuring on Welshpool Road and Gains Park Way . Occuring between 8am - 9.30am then 3.30pm - 6pm.	**Parking** Vehicles parking on pavement	**Flags**
Castlefields	Alan Mosley	No Submission Received		
Column & Sutton	Rosemary Dartnall	**Road safety** Concern about vehicles travelling at excess speeds on London, Wenlock and Sutton roads and also Sutton Way. A large part of traffic on these roads regularly exceeds the mostly 30 mph speed limit but there are also some extremely high speeds achieved – residents are convinced these are people racing and some claim the perpetrators are students at the the sixth form college on London Rd. I don't have evidence for this… but the speeding is reported by many residents. These are residential streets, near a primary school and a college. The racing occurs sometimes at lunchtime – especially on Sutton Way, but can also be a circuit on London Rd – Wenlock Road. I have a number of reports of night time racing on Wenlock – quite late, and on occasion. Many residents think the day time racing involves college students.	**Drug Dealing** Drug dealing in a number of locations: Springfield Rec., the area around the footbridge between Pool Rise and Prescott Close, on Mansel Williams Way, on the corner of Primrose Drive and Sutton Lane. Occuring mostly evening to night time, but also on occasion during the day – taking cover under trees.	**Parking Issues** Inconsiderate and dangerous parking – leading to restricted or low visibility for motorists / pedestrians passing by, partially blocking drives, making narrow roads impassable. This leads to reduced road safety for all users and can also lead to ASB. For example, one person asked to move their car a little along because it was making it impossible for a resident to get off their drive was aggressively driven at (this was reported to police). This kind of parking is not simply illegal parking but it is specific in that road safety is impacted negatively as a result. Associated with school arrival and departure times and also related to college students. A large part of the area between the college and Wenlock has prohibited parking – yellow line so students go a bit father afield.

Agenda No

6 (ii)

Copthorne	Rob Wilson	**Speeding** Locations: Copthorne Road, The Mount, Mytton Oak Road, Radbrook Road, Shelton Road, Richmond Drive & Oakfield Road	**ASB** As the weather warms up, and exam season starts, the “beach” on the River Severn (what3words: ///decks.plank.police). Issues occur from approx 3/3:30pm on weekdays & mainly on a Friday.	**Parking** Use of Shorncliffe Drive and Salamanca Avenue (unadopted) by Taxis as an unofficial layover location. Occuring all week, particularly during the day.
Harlescott	Rhys Gratton	**Speeding** Particularly on Little Harlescott Lane	**Drug Dealing / Open Usage** Especially on York Road, Kynaston Road and the surrounding area	**ASB** Notably groups of teenagers, in particular riding around on mopeds and motorised scooters.
Meole	Bernie Bentick	**ASB**	**Vandalism** Criminal damage (eg recent smashing of glass in Town Council bus stop on Moneybrook Way)	**Flytipping**
Monkmoor	Adam Fejfer	**Speeding Vehicles** Conway Drive and Crowmere Road: significant issues with speeding vehicles, particularly during school hours and in the evenings.	**Rat-Run** Eskdale Road: This has become a frequent "rat run" at various times throughout the day, which is impacting the safety of the neighbourhood.	**Reckless Driving** School Peak Times: A visible police presence during the morning and afternoon school runs is required. A number of drivers are behaving recklessly during these times, and a visible deterrent is needed to ensure the safety of the children and residents.
Porthill	Julian Dean	No Submission Received		
Quarry & Coton Hill	Alex Wagner	**Vape Shops** Maintain continued vigilance following recent raids, ensuring non-compliant vape shops do not continue trading unlawfully as had been found previously.	**Shoplifting** Continue visible policing on Pride Hill to deter shoplifting, support retailers in reporting incidents, and ensure repeat offenders are identified and dealt with robustly through coordinated enforcement.	**Drug Dealing** Target reported drug dealing and anti-social behaviour around the Pig Trough, particularly evenings when these are often cited as happening by Coton Hill residents.

Agenda No

6 (ii)

Radbrook	Emma Micklewright	**Dangerous Driving** Occuring on Squinter Pip Lane (Mytton Oak Road junction, hospital end) caused by parking which leaves the street only passable in 1 direction. Particularly noticeable 8:30am - 9:30am. The end of the one-way section cannot be seen from the start and this causes long periods of reversing and gridlock. This means it is impassable to emergency vehicles. This is a route to school for at least 4 schools and children are forced into the road. I know West Mids doesn't have basic parking resources but this is beyond vexing parking and is causing serious danger.	**Speeding** Occuring on Hanwood Road from A5 in to Radbrook	**ASB** Occuring along the Bowbrook, reports in evenings as weather gets brighter
Sundorne & Old Heath	Kevin Pardy	No Submission Received		
Oteley & Reabrook	Vicky Moore	**Drug Dealing** Occuring by the bus stop near the co-op on Tilstock Crescent	**Speeding** Occuring up Sutton road, residents have reported it to me on several occasions	
Underdale	David Vasmer	No Submission Received		

To Be Agreed at C&E - 01/04/26
Sent to Police - 25/03/26

Agenda No

6 (ii)

Previous Submissions – Up to April 2025

Shrewsbury Town Council - 3 Top Concerns For Each Councillor Ward - January 2026

Ward	Councillors	Issue 1	Issue 2	Issue 3
Abbey	Jamie Daniels	Occurring in a number of locations - within the grounds of the Abbey, Probation Centre (Abbey Foregate), footpath from Abbey Foregate to Bage Way and Shire Hall.	**Drug Dealing** Occurring in the grounds of the Abbey and along the path from Abbey Foregate to Bage Way.	**Speeding** Occurring on Preston Street, many times of the day. Highway blocked by traffic waiting to enter Prestfielde at start and end of school day. Speeding issues also along London Road.
Bagley	Ben Jephcott	No Submission Received		
Battlefield	Harry Hancock-Davies	**ASB** Harlescott/Battlefield Park & Ride Car meetings (10pm club) - disruption caused to nearby residents including the use of illegal substances (cannabis) on site. They tend to meet from 8pm onwards, attendees stay later causing havoc nearby.	**Speeding** Speeding on Whitchurch Road & Featherbed Lane - it is important to state that this is partly due to the car meets held on the Harlescott/Battlefield Park Road, but also people driving at ridiculous speeds in the early morning and late evening.	
Belle Vue	Kate Halliday	**Cycling** Cycling occurring on pavements, including Longden Coleham and the passage between the Boars Head (Belle Vue Road) and Londen Coleham	**Graffitti** Painting over parking restriction signage on Belle Vue Road and Greyfriars Road	**Speeding** Speeding and dangerous driving on Longden Road and Belle Vue/Hereford Road
Bicton Heath	Jon Tandy	No Submission Received		
Castlefields	Alan Mosley	No Submission Received		

Agenda No

6 (ii)

Column & Sutton	Rosemary Dartnall	**Road safety** Issues include concern about speeding, particularly on London, Wenlock and Sutton Roads as well as Sutton Way.	**Drug Dealing** Witnessed in a number of public places: a. Springfield Rec., b. corner Primrose Drive and Sutton Lane, c. Scott Street/Brunel Way junction, footpath between Pemberton Drive and Adams Ridge with Rocke Street	**Parking Issues** Pavement and other inconsiderate parking issues causing safety concerns such as reduced visibility, restricting residents' access to drives/dropped kerbs, parking in streets that are too narrow to accommodate parking and traffic, etc. a. Springfield Estate in the wider vicinity of Mereside Primary School, often related to school traffic b. Brunel Way/Stephenson Drive c. Huxley Close and parts of Wenlock Road (college related), also college related, people waiting in cars to collect students often block drives on London/Ebnal/New College roads and keep their engines running for considerable lengths of time.
Copthorne	Rob Wilson	**Speeding** a. The Mount (///mice.noses.ears) b. Mytton Oak Road (///fades.slim.format) c. Copthorne Road (///fuels.proper.retire) d. Shelton Road (///toast.lodge.stale) e. Oakfield Road (///snack.smile.pound) f. Radbrook Road (///belong.loses.burst) The Mount, eastbound, in the vicinity of number 86 (https://maps.app.goo.gl/9jkSM22HWeiusyEWA), evenings (esp after dark) (from Oct '25 submission)	**Youth ASB** Verbal abuse (sexualised and quite disgusting) from young boys on the BMX Track, occurring during the evening and especially on weekends. Residents are quite intimidated by the group of young boys on their bikes. (from Oct '25 submission)	No Further issues
Harlescott	Rhys Gratton	No Submission Received		
Meole	Bernie Bentick	No Submission Received		

Agenda No

6 (ii)

Monkmoor	Adam Fejfer	**Speeding Vehicles** Location: Conway Drive and Crowmere Road / St James Street Issue: Significant speeding during school drop-off and pick-up times, creating safety risks for children and parents.	**Ongoing Anti-Social Behaviour (ASB)** Location: Upton Lane Issue: Increased use of drugs and alcohol by teenagers during evenings, particularly as it gets darker earlier. They are spending more time in the children's playground area.	**Electric Scooters and Bikes** Location: Various streets in Monkmoor Issue: Residents have raised concerns about riders travelling at high speeds, disregarding their own and others' safety.
Porthill	Julian Dean	No Submission Received		
Quarry & Coton Hill	Alex Wagner	No Submission Received		
Radbrook	Emma Micklewright	**Speeding** Occurring on Bank Farm Road - particularly an issue as evenings get darker. (from October '25 submission)	**ASB** Increased patrolling around the bridge on Red Deer Road and the fields around Mousecroft due to reports of anti-social behaviour and aggressive dogs. (from October '25 submission)	**Traffic** Continued monitoring of Crowmeole lane to ensure no vehicles are using it. (from October '25 submission)
Sundorne & Old Heath	Kevin Pardy	**Graffiti** Graffiti occurring on walls in Meadow Farm Drive. Occurring on a regular basis (from July '25 submission)	**ASB** Young people being abusive to adults. Occurring on a regular basis (from July '25 submission)	**Motorcycles** Illegal motorcyle riding by young people. Occurring on a regular basis (from July '25 submission)
Oteley & Reabrook	Vicky Moore	No Submission Received		
Underdale	David Vasmer	No Submission Received		

To Be Agreed at C&E - 04/02/26
Sent to Police - 24/12/25

Agenda No

6 (ii)

Shrewsbury Town Council - 3 Top Concerns For Each Councillor Ward - October 2025

Ward	Councillors	Issue 1	Issue 2	Issue 3
Abbey	Jamie Daniels	**Speeding** Belvidere Avenue in the morning rush (8-9am) and going home time say from 3pm onwards, drivers use this as a shortcut to Monkmoor. (from April '25 submission)	**Anti-Social Driving** Increase incidents of anti-social behaviour near and around The Abbey and Abbey Station. The recent breaking and damage to the Abbey door is a worry. (from April '25 submission)	**Anti-Social Driving** Preston Street to the Colum Roundabout - Traffic get congested in the mornings and around 4pm onwards when parents collected children from Prestfield School. Residents living in Highfields cannot get out due to the build of traffic. (from April '25 submission)
Bagley	Ben Jephcott	**Speeding** Speeding vehicles with modified louder exhausts (bikes but sometimes cars) on Ellesmere Road and all around the town, often at dangerously high speed, afternoons also around midnight.	**ASB** Dirt bike - youths causing ASB and bullying of younger children from Bagley and other wards using the Harlescott pump track, including attempts to steal bikes.	**Patrols** Reassurance of residents after reported burglaries in Heath Farm / Pitchford Drive and other roads nearby, an arrest has been made but further update appreciated.
Battlefield	Harry Hancock-Davies	**Speeding** Speed of traffic on Battlefield Road at the junction of Mayfield Close (just before Battlefield Island) is becoming very dangerous. Vehicles regularly travelling over 30mph. (from July '25 submission)	**Speeding** Speeding on 'Whitchurch Road'. There is also a lack of 30mph speed limit signs. (from July '25 submission)	
Belle Vue	Kate Halliday	**Dangerous Driving** Dangerous driving occurring on Belle Vue Road / Hereford Road. A bad crash occurred on the morning of 12th Sept, which damaged the lamppost and a parked vehicle.	**Cycling** Cycling occurring on pavements along Longden Coleham (no specific times)	**Electric Scooter Issues** Illegal use of electric scooters on roads and pavements (no specific times)
Bicton Heath	Jon Tandy	**Speeding** Occuring on Welshpool Road & Gains Park Way this is an ongoing problem in these areas.	**Motorbikes** Motorbike riding along Carlton Close without a helmet - this has been reported to the police.	

Agenda No

6 (ii)

Castlefields	Alan Mosley	No Submission Received		
Column & Sutton	Rosemary Dartnall	**Drug Dealing** Open drug dealing and sometimes with associated ASB – Springfield Estate, focussed on Mereside and footbridge area between Pool Rise and Prescott Close and corner Sutton Lane and Primrose Drive. (from July '25 submission)	**Speeding** Motorbikes speeding on Mansel Williams Way – driving up and down repeatedly on this well-used foot/cycle path. Small number of people involved – speeds are 40 +mph. Tends top be early evening. (from July '25 submission)	**Speeding Traffic** Speeding traffic generally but focussed on London Rd, Wenlock Rd, Sutton Rd and Sutton Way, a number of incidences in Sutton Lane. (from July '25 submission)
Copthorne	Rob Wilson	**Speeding** a. The Mount (///mice.noses.ears) b. Mytton Oak Road (///fades.slim.format) c. Copthorne Road (///fuels.proper.retire) d. Shelton Road (///toast.lodge.stale) e. Oakfield Road (///snack.smile.pound) f. Radbrook Road (///belong.loses.burst) The Mount, eastbound, in the vicinity of number 86 (https://maps.app.goo.gl/9jkSM22HWeiusyEWA), evenings (esp after dark)	**Youth ASB** Verbal abuse (sexualised and quite disgusting) from young boys on the BMX Track, occuring during the evening and especially on weekends. Residents are quite intimidated by the group of young boys on their bikes.	No Further issues
Harlescott	Rhys Gratton	No Submission Received		
Meole	Bernie Bentick	**ASB** Anti-social behaviour, including recent public bullying of young people by their peers	**Local Policing** Police visibility, including foot patrols	**Speeding** Speeding & other traffic offences, including illegal vehicular access to south end of Moneybrook Way & illegal parking
Monkmoor	Adam Fejfer	**Electric Scooters & Push Bikes on Pedestrian Paths** Ongoing problem with electric scooters & push bikes travelling too fast on pedestrian paths. Several residents have complained that police cars often pass these vehicles without taking any action, even though they are prohibited from public roads.	**Ongoing Issues at Upton Lane Park** Particularly in the evenings and at weekends, groups of teenagers have been setting small fires and littering in various places. On Friday evenings, residents walking their dogs have also witnessed suspicious transactions near the exits of Upton Lane.	**Speeding Cars on Conway Drive and Crowmere Road/St James Road** Speeding is a persistent issue, especially in the evenings and during school pick-up times at the end of Crowmere Road and St James Road.

Agenda No

Porthill	Julian Dean	No Submission Received		
Quarry & Coton Hill	Alex Wagner	No Submission Received		
Radbrook	Emma Micklewright	**Speeding** Occurring on Bank Farm Road - particularly an issue as evenings get darker.	**ASB** Increased patrolling around the bridge on Red Deer Road and the fields around Mousecroft due to reports of anti-social behaviour and aggressive dogs.	**Traffic** Continued monitoring of Crowmeole lane to ensure no vehicles are using it.
Sundorne & Old Heath	Kevin Pardy	**Graffiti** Graffiti occuring on walls in Meadow Farm Drive. Occurring on a regular basis (from July '25 submission)	**ASB** Young people being abusive to adults. Occurring on a regular basis (from July '25 submission)	**Motorcycles** Illegal motorcyle riding by young people. Occurring on a regular basis (from July '25 submission)
Oteley & Reabrook	Vicky Moore	No Submission Received		
Underdale	David Vasmer	**Vandalism** Underdale Road reporting someone throwing stones through living room window.	**Speeding** Speeding motorists on Woodcote Way - concerns about the dangers to children and their families going to and from school each day.	**ASB** ASB issues on Buttington Road

To Be Agreed at C&E - 08/10/25
Sent to Police – 30/09/25

Shrewsbury Town Council - 3 Top Concerns For Each Councillor Ward - July 2025

Ward	Councillors	Issue 1	Issue 2	Issue 3
Abbey	Jamie Daniels	**Speeding** Belvidere Avenue in the morning rush (8-9am) and going home time say from 3pm onwards, drivers use this as a shortcut to Monkmoor. (from April '25 submission)	**Anti-Social Driving** Increase incidents of anti-social behaviour near and around The Abbey and Abbey Station. The recent breaking and damage to the Abbey door is a worry. (from April '25 submission)	**Anti-Social Driving** Preston Street to the Colum Roundabout - Traffic get congested in the mornings and around 4pm onwards when parents collected children from Prestfelde School. Residents living in Highfields cannot get out due to the build of traffic. (from April '25 submission)
Bagley	Ben Jephcott	**Speeding** Speeding vehicles with modified louder exhausts (bikes but sometimes cars) on Ellesmere Road and all around the town, often at dangerously high speed, afternoons also around midnight, particularly on Fridays & Saturdays evenings between 10pm and 1am.	**ASB** Youths using dirtbikes causing ASB and bullying of younger children from Bagley and other wards using the Harlescott pump track, including attempts to steal bikes. The ASB at Harlescott pump track off Corbet Close has occurred on multiple occasions recently both evening & afternoon.	**Drug Dealing** Hard drug dealing in Greenfields park and scooter-borne couriers using the track by Greenfields Gardens. Occuring in the community woodland or by the path by Greenfields Gardens in the late afternoon / evening.
Battlefield	Harry Hancock-Davies	**Speeding** Speed of traffic on Battlefield Road at the junction of Mayfield Close (just before Battlefield Island) is becoming very dangerous. Vehicles regularly travelling over 30mph.	**Speeding** Speeding on 'Whitchurch Road'. There is also a lack of 30mph speed limit signs.	
Belle Vue	Kate Halliday	**Parking Issues** Salters Lane: parking on double yellow lines not only at school pick up and drop off but throughout the day. Parking fully on pavements so that pedestrians cannot pass, all day during weeks	**Parking Issues** The Hawthorns: parking in the road in front of garages, obstructing other cars: school pick up and drop off and also all day	**Parking Issues** Oakley Street: parking on pavements, and around corners.
Bicton Heath	Jon Tandy	**Speeding** Occurring on Welshpool Road	**Speeding** Occurring on Gains Park Way	**Abandoned** Occurring Bowbrook area

Agenda No

Castlefields	Alan Mosley	No Submission Received		
Column & Sutton	Rosemary Dartnall	**Drug Dealing** Open drug dealing and sometimes with associated ASB – Springfield Estate, focussed on Mereside and footbridge area between Pool Rise and Prescott Close and corner Sutton Lane and Primrose Drive.	**Speeding** Motorbikes speeding on Mansel Williams Way – driving up and down repeatedly on this well-used foot/cycle path. Small number of people involved – speeds are 40 +mph. Tends top be early evening.	**Speeding Traffic** Speeding traffic generally but focussed on London Rd, Wenlock Rd, Sutton Rd and Sutton Way, a number of incidences in Sutton Lane.
Copthorne	Rob Wilson	**Speeding** a. The Mount (///mice.noses.ears) b. Mytton Oak Road (///fades.slim.format) c. Copthorne Road (///fuels.proper.retire) d. Shelton Road (///toast.lodge.stale) e. Oakfield Road (///snack.smile.pound) f. Radbrook Road (///belong.loses.burst) The Mount, eastbound, in the vicinity of number 86 (https://maps.app.goo.gl/9jkSM22HWeiusyEWA), evenings (esp after dark)	**Youths Drinking** Occuring during warm days / late afternoons on the riverbank in the vicinity of: https://maps.app.goo.gl/bwak9BQD2oJcWASU9	**Youth ASB** Verbal abuse (sexualised and quite disgusting) from young boys on the BMX Track, occuring during the evening and especially on weekends. Residents are quite intimidated by the group of young boys on their bikes.
Harlescott	Rhys Gratton	No Submission Received		

Meole	Bernie Bentick	**ASB** Continuing harassment of vulnerable people on Meole Estate - threatening behaviour, keying of cars, litter and abandoned dog excrement. Occurs particularly in the afternoons & evenings, both during the week & at weekends. (from April '25 submission)	**Visibility** i.e. Foot patrols (from April '25 submission)	**Traffic Offences** Speeding, illegal entry by vehicles to south end of Moneybrook Way & illegal parking The traffic issues on Moneybrook Way happen between 8am & 9am and again in the evenings during weekdays. Also cyclists and some vehicles travelling the wrong way up the 1 way section of Vicarage Road, between the mini-roundabout and Upper Road, on weekdays between 3 and 4pm. Some vehicles also use the 'Access Only' section of Mill Road to avoid the queue at the Upper Road/Roman Road exit, at school drop-off & pick-up times on weekdays (8:30 to 9am & 3:15 to 3:45pm). (from April '25 submission)
Monkmoor	Adam Fejfer	**ASB** Porchfield area. Knocking to resident's door and run, late night noise. Upton Lane Recreation Ground. Littering, noise, set up small fire. Especially in the weekends.	**Speeding Traffic** Conway Drive, particularly from Monkmoor Road to Galton Drive stretch. And bottom of Crowmere Road. Any time/day.	**ASB - Electric Bikes / Scooters** A significant number of electric bike and scooter users are traveling at high speeds on shared paths and public roads, often disregarding the safety of others.
Porthill	Julian Dean	No Submission Received		
Quarry & Coton Hill	Alex Wagner	**Offensively Loud Vehicles** Motorbikes & cars speeding around Smithfield Road, Castle Street, St Mary's Street, Dogpole, Wyle Cop during busy evenings and at night, usually 10pm onwards. Often the vehicles themselves are illegally maintained, untaxed or uninsured.	**Patrols** Continue the work being done by the SNT to target anti-social behaviour on Pride Hill, during busy periods in particular, to ensure it is a safer environment for residents.	**Illegal Driving** Vehicles going the wrong way down one-way street on Roushill in evenings throughout the week.

Agenda No

6 (ii)

Radbrook	Emma Micklewright	**Speeding** On Bank Farm Road & Squinter Pip Way. Residents have reported an increase in excessive speeding on Bank Farm Road, especially in the evenings. The light up signs are having less effect than when they were first installed. On Squinter Pip residents report many near misses due to excessive speed, especially since the school has opened.	**Traffic Concerns** Inconsiderate drivers and taxis continue to use Crowmeole Lane predominately during the evenings, despite the permanent filter allowing only buses, cyclists and pedestrians. The Lane requires monitoring as often as possible to discourage such traffic which makes the Lane unsafe for pedestrians and cyclists.	**Littering** Possibly with intent to harm dogs. Residents have reported an increase in litter on the Radbrook Quarry and Fields area including some piles of foods which are known to harm dogs. Occuring predominately during the evening. Coordinates: 52.694360, -2.777697
Sundorne & Old Heath	Kevin Pardy	**Graffiti** Graffiti occuring on walls in Meadow Farm Drive. Occuring on a regular basis	**ASB** Young people being abusive to adults. Occuring on a regular basis	**Motorcycles** Illegal motorcyle riding by young people. Occuring on a regular basis
Oteley & Reabrook	Vicky Moore	**Speeding** Along Sutton road, road is a 30mph	**Antisocial Behaviour** Maxfield Drive / Fox Avenue	**Antisocial Behaviour** Drug related issues Sutton Road/ Tilstock Crescent
Underdale	David Vasmer	Anti-Social Behaviour	Drug Dealing	Speeding Traffic
