

GUIDANCE NOTES FOR THE LOCAL COUNCILLOR GRANTS FUND

Shrewsbury Town Council has allocated £750 to each of the 17 Wards of Shrewsbury so that the local Councillor can consider and allocate funds in his/her local area.

It is a matter for the local Councillor as to the level of grant awarded and when that money is awarded. Therefore, in the first instance it would be wise to contact your local Councillor.

Principles

All applications will be considered on their individual merits, but there are a number of guiding principles:

- How well the grant meets the needs of the community (and in particular the specific ward) and benefits the residents of Shrewsbury;
- How many residents of Shrewsbury shall benefit from the project and whether the size of grant is commensurate with those benefitting;
- How effectively the group will use the grant;
- How appropriate and realistic the budget is;
- How much has been raised by the group towards the project (generally speaking the Council would wish to see at least 10% of the total project being raised locally);
- Whether the project can be sustained beyond the use of the grant

Who can apply?

We will consider applications from:

- Groups, clubs, committees or charities based in Shrewsbury. You will need to show that you are organised and have your own bank account.

We will not consider applications from:

- Businesses or organisations with a profit-making remit;
- Funding shall not be provided to support a group's own philanthropic aims;
- Individuals;
- Groups that have either already started/finished a project or purchased items.

When & How can I apply?

You can apply at any time, but once the local Councillor's allocation of £750 has been spent there will be no more.

Applications forms are available either in hard format from Livesey House or the local Councillor, or electronically on the website (www.shrewsburytowncouncil.gov.uk/finance/grants).

You will receive a response within 28 days of submission
