Dear Ms Ball

**Stopping Up Order
Section 116 Highways Act 1980
Land at New Park Road, Shrewsbury, Shropshire**

I write to inform you that Shropshire Council intends to apply to the Shrewsbury Magistrates Court for an Order authorising the stopping up of a piece of highway land at New Park Road, Shrewsbury, as illustrated on the attached plan. It is intended to stop up that part of the highway shown edged red on the plan.

Shropshire Council takes the view that such an application can be made to the Court on the grounds that the area is superfluous to the use and enjoyment of the publicly maintained highway by the public and therefore is unnecessary.

It is therefore intended to make the application to the Magistrates Court under s116 Highways Act 1980.

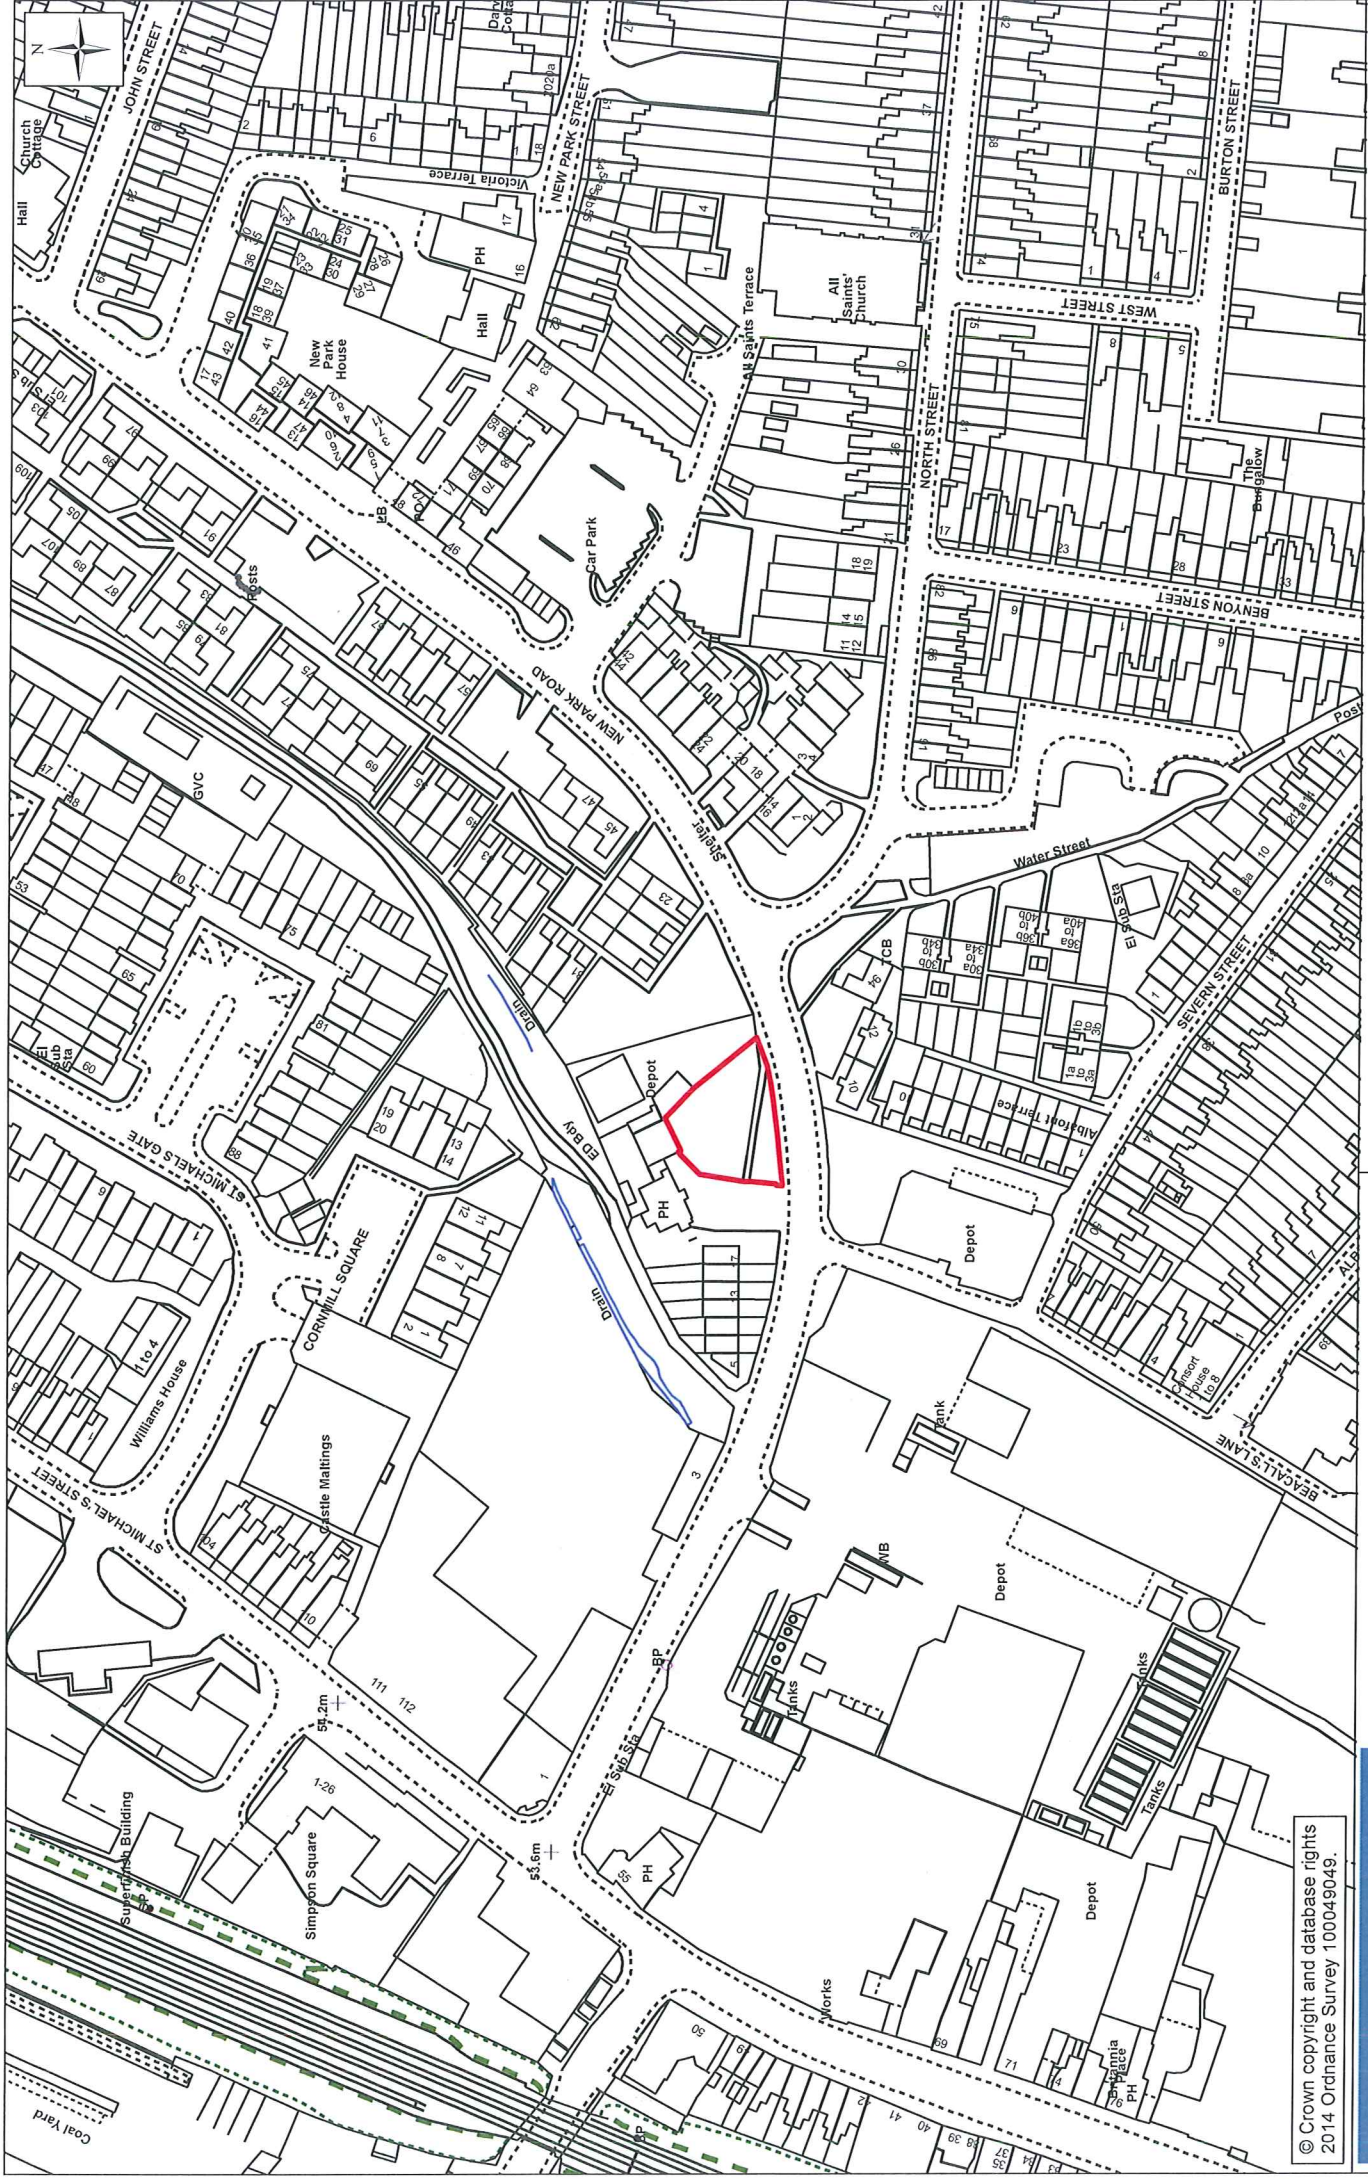

I should therefore be grateful if you would confirm as soon as possible that the Town Council does not have any objection to such an Order. I appreciate that you may need some time to consider this matter, and therefore I would be grateful if you are able to give me an idea of the likely timescale for your reply.

If you have any queries please do contact me.

Yours sincerely
