

**THE SHROPSHIRE COUNCIL  
(BOROUGH OF SHREWSBURY & ATCHAM) (NO. 1)  
(SPEED LIMITS) ORDER 2006 (AMENDMENT NO. ) ORDER**

**Statement of Reasons**

The reduction in the speed limit to 30mph along the B4380 Oteley Road, B3480 Thieves Lane, A458 Wenlock Road, Sutton Road, Weeping Cross roundabout circularity carriageway and the A458 is to reinforce the appropriate speed of travel throughout the route. There have been a large number of residential and commercial developments constructed within this area in recent years, and this speed reduction will facilitate and improve safety for vehicular traffic and all road users.
