Application			Location	Proposal	Shropshire Council Decision	STC Decision	STC Comments	Mtg Date
14/	04383	FUL	Princess House, The Square, Shrewsbury, Shropshire	Conversion of the existing office space and extension to provide 50No residential apartments together with secure storage facilities and restaurant unit at ground level	Grant Permission	Objection	Members do not object to the principal of developing Princess House but are not happy with the proposed design and material choices. Members have requested a sample of the cladding to be temporarily put up on the building and would like to receive more information about the proposed materials. Being in such a prominent and sensitive position in the town, members feel more thought into the external design is needed. The wrap around cladding currently proposed makes the building look imposing and larger than life and members request that more colours of cladding/other materials are used to break up the mass of the building. They feel the current plans are not inkeeping with or complimentary to the historic setting in which Princess House sits.	17/02/2015
