22/01999/FUL	Ellerslie, 18 Roman Road, Shrewsbury, SY3 9AU	Formation of a level driveway in the area currently defined as the front garden, with gated access via Russell Field and erection of a timber fence and facing wall to the front of the existing retaining wall	No Objection		Refuse	The proposal is considered to give rise to unacceptable levels of visual harm by virtue of its prominent appearance of the installation of a 1.8m high fence. Taking into account the unacceptable scale and height, together with its proximity to the highway, it is considered that the proposals would have a seriously adverse impact on the existing street scene through its significant overbearing prominence	07.06.2022
