26/01818/FUL	12 Victoria Street, Shrewsbury, SY1 2HS	Installation of 11 solar panels and Tesla battery with inverter	No Objection		Refuse	The proposed development, by virtue of the siting and appearance of the Tesla battery storage unit and associated inverter on the prominent front elevation of the dwelling, would introduce a visually intrusive and incongruous feature that fails to respect the character and appearance of the host property and the wider street scene.	09.06.2026
