The external area to be used no later than 00.00 after which time no external furniture shall be used and no drinks shall be taken outside.

Reasons

The Sub-Committee had considered all of the documents submitted prior to the hearing and the representations made by all parties at the hearing. The Sub-Committee also took into account the Guidance issued under S182 of the Licensing Act 2003 and Shropshire Council's Licensing Policy.

The Sub-Committee had noted the concerns of the local residents and understood their position. However, having considered the application in detail and the answers given by the applicant the Sub-Committee were not satisfied that there was evidence to show that the licensing objectives would not be promoted by allowing the variation. Therefore, it was appropriate to grant the variation subject to the additional condition, set out above, which the applicant had accepted in order to further promote the licensing objectives.
