20/02355/FUL	26 Conway Drive, Shrewsbury, Shropshire, SY2 5UB	Erection of first floor extension to northeast (front) elevation; elevational alterations to facilitate the use of integral garage as residential use	Objection	The Town Council objects to this application as it considers this extension to be an overdevelopment of the site, being out of scale with its surroundings and impactful on the privacy of the neighbours. Following a reconsultation on 06.08.2020, Members considered the revised plans. The Town Council wishes to maintain its objection to this planning application. Members feel that the plans submitted are still out of keeping with the existing street scene.	Grant Permission	See additional sheet	06.08.2020
