Application	Location	Proposal	Shropshire Council	SC Reason for Decision	STC Decision	STC Comments
18/01982/FUL	62 Mytton Oak Road, Shrewsbury, Shropshire, SY3	Erection of two storey extension to side and single storey extension to rear	Grant Permission		Objection	Members noted the comments made by local residents and concur with their concerns particularly the loss of privacy due to overlooking, the loss of light and the issues with land ownership. They feel these matters should be addressed before a decision on the application is made.
18/02118/FUL	20 Well Meadow Gardens, Shrewsbury, Shropshire, SY3 8UP	Erection of a part single and part 2-storey extension to the side and rear with juliet balcany and new porch to front elevation (revised scheme)	Grant Permission		Objection	Whilst Members see an improvement in the proposed materials, the extension still covers the same footprint and therefore is still considered to be overbearing on the neighbouring property. The Town Council wishes to retain their original objection as the comments are still relevant.
