REGISTERED BETWEEN 15 July - 4 August 2015								
Application	Location	Proposal	Shropshire Council Decision	STC Decision	STC Comments	Mtg Date		
15/02023/FUL	Pomona, 1 - 2 Castle Gates, Shrewsbury, Shropshire, SY1 2AQ	Erection of awning to existing shop front.	Grant Permission	Support with comment	The Town Council would welcome details within the application as to how low the proposed awning will reach to avoid any inconvenience and safety issues to passing pedestrians; this particularly given the topography of the land and the fact that access to the building is via steps down into the shop.	02/06/2015		
15/02024/LBC	Pomona, 1 - 2 Castle Gates, Shrewsbury, Shropshire, SY1 2AQ	Erection of awning to existing shop front affecting a Grade II Listed Building. 15/01720/LBC	Natwest , 8 Mardol Head, Shrewsbury, Shropshire, SY1 1HE	Internal and external works to remove existing signage and replace with 1No fascia, 1No projecting signs, 1No welcome sign and new purple gradient vinyl to window, 1No light poster suspended internally and 1No chevron suspended internally; improve and refresh the existing interior including replace the cashier area with a new automation wall and add new partition walls to create consults and rooms.	Grant Permission	Objection	The Town Council understands the need for corporate branding and is accepting of signage on the building. However, much of the signage throughout the town relies on external illumination; members do not see the need for the signs to be internally illuminated as it is felt that such a precedent will inevitably detract from the ambience of the Conservation Area. Members feel these proposals are not in-keeping with the street scene on one of the most prominent and well used streets of the town.	12/05/2015
