* Terms and Conditions

Please note that this service is available to businesses only and is for seasonal hire of hanging baskets. The flags are on loan and remain the property of Shrewsbury Town Council. Flags will only be issued where a Council approved flag holder is present. The hanging basket containers are plastic recycled units which will remain the property of Shrewsbury Town Council. The baskets and flags will be delivered in June & collected at the end of the flowering season. These dates are subject to change depending on climatic conditions. Your baskets will be watered by Shrewsbury Town Council throughout this period.

Companies need to ensure that the hanging baskets do not cause an obstruction for customers and that there is safe access for Town Council staff to water and maintain the baskets.

All hanging basket brackets will be weight tested for safety. Should a bracket fail, the basket will not be hung and the client will be reimbursed.

Please note Shrewsbury Town Council does not provide or install hanging basket brackets.
