03/20 MATTERS ARISING

03.1 Application 20/02651/FUL – 26 Silverdale Road, Bicton Heath, Shrewsbury. SY3 5EY

Members considered the amendments to this planning application and were satisfied that some of their original concerns, especially in relation to the changes to the window arrangements, had now been addressed. Members felt the changes are satisfactory and that there had been movement on the part of the applicant to meet some of the objections of the residents and therefore propose that the Town Council remove their objections to this application.

RESOLVED:

The Town Council remove its objection to this application.

Councillor J Dean joined the meeting at 18:13

03.2 Application 20/03119/FUL – Proposed Dwelling North of 31 Underdale Road, Shrewsbury

Members had previously requested comments from the Conservation Officer before making a decision on this application. Members have now looked at the Conservation Officer comments and are in full support of these. The new building is very dominant and the current design is not appropriate for this particular site and not in keeping with the area and street scene. The revised plans would have a negative impact on the character and appearance of this site within the Conservation Area.

RESOLVED:

That the Town Council object to this application.

04/20 HIGHWAY ORDERS

There were no Highway Orders for consideration

05/20 TREE PRESERVATION ORDERS

There were no Tree Preservation Orders for consideration.

06/20 PREMISES LICENCE APPLICATIONS

There were no Premises Licence Applications for consideration.

07/20 PLANNING APPLICATIONS

The Deputy Town Clerk submitted the schedules of valid planning applications for planning consent for development within the Town Council's area which had been registered between 17 September – 25 September 2020.

RESOLVED:

- (i) **That the following comments be submitted to Shropshire Council:**

1.	20/03570/FUL	Land Adjacent To Churncote Island, Welshpool Road/A5 Welshpool Road, Bicton Heath, Shrewsbury, Shropshire.	Hybrid application for a mixed-use development - FULL consent for formation of roadside services including a petrol filling station, a drive-through restaurant; drive-through coffee shop; creation of new vehicular access (off A458); on-site roads and parking areas; landscaping scheme; and, OUTLINE consent (access for consideration) for the erection of offices (Use Class B1)	Representation
----	--------------	--	--	----------------

Although the Town Council do not object to this application per se, Members would like more information before making a decision on this application for such a large development. There are a number of proposals for developments within this area currently under discussion and Members would like to be assured that the consideration of these is co-ordinated. Members would also like to ensure that access arrangements for the Park & Ride would not be compromised by this development. Furthermore, Members would like to see comments from SC Highways on this application. It was also noted that no EV charging points or further information regarding renewable energy or solar panels has been provided in the current application. In summary, Members would like further information and clarification on all of these issues before considering it further.
