The minutes of the Planning Committee meeting held on 29 January 2019 were submitted as circulated and read.

#### RESOLVED:

**That the minutes of the Planning Committee meeting held on 29 January 2019 be approved and signed as a correct record.**

## **100/18 PRESENTATION ON APPLICATION 19/00048/REM – Development Land South of Oteley Road**

Members had deferred a decision on this application from the previous meeting, having requested representatives from the developers attend and explain the siting of the Public Open Space in more detail.

Helen Howie from Berrys provided a detailed explanation of the site and the proposals for the SUE Extension, the positioning of the access road and addressed the concerns from Members of the apparent disjointed nature of the application.

Members discussed the future maintenance of the various areas of Public Open Space, with STC taking over the management of the play area, whilst a private management company will be responsible for the area fronting the development on Oteley Road.

Members raised concerns over the siting of the play area and the community centre in relation to the A5, but were advised that these had been positioned on the advice of Shropshire Council. Members were assured that an acoustic barrier would be in place to mitigate any traffic issues from this major arterial route.

Members felt that the proposals for this site had been clarified and confirmed that they raise no objections to this planning application.

### **RESOLVED:**

**That the Town Council raises no objections to this planning application and notifies Shropshire Council of their decision.**

*The Chairman thanked Louise Dwyer and Helen Howie for attending and they left the meeting.*

**That the Town Council maintains its objections to the latest proposals for this application.**

**101.6 Reconsultation Application 18/05857/FUL – Development at rear of Sutton Farm Shopping Centre**

Members noted the comments received from the Planning Enforcement Officer and whilst they are saddened by the loss of parking space at this development, they accepted that the principle of development has already been established and agreed to remove their original objections.

**RESOLVED:**

**That the Town Council removes its objections for this application; regardless of vitality the scale and design is wholly out of keeping with the area.**

#### **101.7 Reconsultation Application 18/05560/COU – Crowmoor House**
