The minutes of the Planning Committee meeting held on 30 March were submitted as circulated and read.

#### RESOLVED:

**That the minutes of the Planning Committee meeting held on 30 March be approved and signed as a correct record.**

#### 77/20 MATTERS ARISING

*Councillor Green left the meeting. Councillor Gillam took over as Chairman.*

## **77.1 Land Adjacent to 30 Havelock Road**

The Deputy Town Clerk explained to the Committee that, following comments from members of the public, the Committee should note a resolution from full Council on 22 March 2021 regarding an application to recognise this land as an Asset of Community Value. It also needed to clarify the Town Council's role in this process.

At the Full Council Meeting there was a discussion regarding a proposal that had been made to Shropshire Council to nominate land adjacent to 30 Havelock Road to be listed as a Community Asset. This would normally have come to Planning Committee but, given the timings for a response, Full Council was the next available meeting.

It was clarified that when considering the application Shropshire Council consults with the Town Council as a non-statutory consultee. We are not the decision maker and asked only for our view.

The land adjacent to 30 Havelock Road is actually divided into two parts. The first part being the one proposed in the application to become a Community Asset. The remainder is private woodland.

At Full Council, the following recommendation was made:

- That Shrewsbury Town Council supports the registration of land adjacent to 30 Havelock Road as an Asset of Community Value on the grounds that this site has been recognised as a valuable visual amenity to the area since 2005 and by virtue of its annexing from the principle building residents have enjoyed an as-of-right use of this site for recreational activity.

Since that meeting, the nomination of land adjacent 30 Havelock Road Shrewsbury (application CR2B0141) as an Asset of Community Value has been successful and that the asset was listed on 19 April 2021.

No further comments were made by Members.

### **RESOLVED:**

The update from the Deputy Town Clerk was noted.

*Councillor Green re-joined the meeting.*

## **77.2 Delegated authority for the meeting scheduled for 4 May 2021**

The Deputy Town Clerk explained to Members that the next Planning meeting was scheduled for 4 May. Given elections were due to take place in the following week, it was proposed that instead of holding that meeting, we will email out the list of applications to be considered along with the recommended decisions on Wednesday 28 April. Members would then be asked to respond with comments by Tuesday 4 May. The decisions will then be formally noted at the next Planning meeting.

### **RESOLVED:**

Members were happy with this suggestion and no comments were raised.

## **78/20 HIGHWAY ORDERS**

### **78.1 Street naming and numbering - Land East of Bowbridge House, Off Mytton Oak Road, Shrewsbury.**

The street naming and numbering section of Shropshire Council have been asked to provide official addresses in respect of the residential development; Land East of Bowbridge House, Off Mytton Oak Road, Shrewsbury. The development requires one new street name and the developer has put forward the following suggestions:

- The Firs
- Stapeley Court

They believe the land being developed was previously owned by an adjacent property, which was originally/historically known as 'The Firs' and 'Stapeley Court' is derived from a Shropshire Landmark, hence the suggestions made.

#### **RESOLVED:**

Members were in agreement that the new development should be called 'The Firs' as this is more suitable for this location. Notification of our decision will be sent to the Street Naming team.

## **79/20 TREE PRESERVATION ORDERS**

There were no Tree Preservation orders for consideration.

## **80/20 PREMISES LICENCE APPLICATIONS**

There were no Premises Licence Applications for consideration.

## **81/20 PLANNING APPLICATIONS**
