DESIGN A "SHREWSBURY REMEMBERS" POSTER

This year sees Shrewsbury's second year of commemorations of the First World War with a theme of how animals played their part in the conflict, both on the home front and the battlefield.

Over 16 millions animals served in WWI and Shrewsbury Town Council would like you to design a poster to reflect the amazing role animals played in it.

Use the template overleaf to design a "Shrewsbury Remembers the Animals in War" poster on A3 size paper.

Please ensure that there are no items sticking out from the artwork or use glitter - we will not be able to laminate the page.

Your entry should be sent to the Mayor of Shrewsbury who will judge the best poster. The winner will get £25.00 worth of vouchers and there will also be a special prize for your school as well.

Send your poster to:
