Dear Traders & Carbooters

**Re: Harlescott Sunday Market**

As of Friday 2<sup>nd</sup> August 2019, Town & Country Markets Ltd are no longer trading.

In the Short term the Market and Carboot will operate under the same charges and conditions, with Tony Bromierski authorised to run the operation.

The Council is committed to the long term future and success of the Market and you will be kept updated on the long term plan

Any ideas or concerns please put in writing to myself.

Yours faithfully

Andrew Watkin
